

# A seamless new Rewards experience

Introducing a faster, smarter, and more accessible Bonusly rewards catalog and redemption experience.

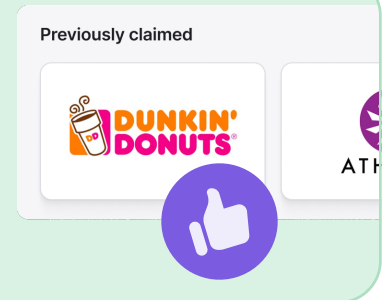

## Streamlined shopping

With better browsing and faster page loading employees spend less time shopping and more time enjoying their rewards. Talk about rewarding.

## Built with your employees in mind

Now, everyone can quickly find rewards they might like or re-order favorites. Admins can highlight reward or donation options to reflect company culture.

## Rewards for everyone

Our reward redemption experience meets WCAG AA accessibility standards and is available globally with 1,200+ rewards in over 200+ countries.
