Valentine's Day Ad-Libs

At Bonusly, we believe that effective employee recognition is:

💗 **Timely**   💗 **Visible**

💗 **Frequent**   💗 **Inclusive**

💗 **Specific**   💗 **Values-based**

This Valentine's Day, we're adding one more bullet to the list:

💜 *FUN!*

Directions

First, send each person on your team this Ad-Libs sheet. They will fill out an Ad-Lib for two coworkers they want to give recognition to and then share the completed result with each person.

Pro tip: These work best when you come up with words without reading the paragraph ahead of time! Think of the first word that comes to mind—the more random the better.

Bonusly points (and extra laughs) for reading these aloud at your next team meeting!

Double Bonusly points for making your recognition visible by sharing your favorite Ad-Lib and tagging us on LinkedIn or Twitter!
